Chief, Services Division
Chief, Trade Branch

Requirements for GHR, RD-J-186

The new role of China National Import Export Co. (CNIEC) is not fully known. It is known that it deals in rubber, POL, and chemicals, but it is also believed that CNIEC has some supervisory functions over the other foreign trade corporations. Do CNIEC representatives exhibit any supervisory traits? Does CNIEC attempt to deal in other products?
